

Boosting

11/03/2025

4h

Last time

- Ensembling, Bagging, Weak learners
- Decision trees
- Random forests

Today

- Warmup
- Boosting
- Adaboost
- XGBoost
- catBoost, LightGBM
- How to tune a Boosted tree model
- How to handle large datasets
 - code optimisation
 - out of core
 - quantization

Warmup

Warmup (30mn) - [TODO]

Setup

In Google Colab

- Add your Colab to your name in the spreadsheet
- Add me as editor with my email alexis.perrier@gmail.com

Data

-

Build

- Train and optimize a RandomForest
 - cross validation, gridsearchCV
- find the best max_depth and n_features
- interpret the classification matrix
